Dear Fort Bragg City Council Members and Candidates

As part of the educational mission of the GrassRoots Institute and our dedication to bringing transparency to issues involved with the upcoming elections for the Fort Bragg City Council, we are attaching three reports assembled by a pair of private investigators for the GrassRoots Institute. We believe they contain information that all candidates for and members of the Fort Bragg City council should be aware of. Please let us know if you have further questions or comments about these materials

Thank you all very much for your dedication to making Fort Bragg and the North Coast of Mendocino County a vibrant and sustainable place to live.

Best Regards

Carrie Durkee
